IZ 1770 AL LC

LANDING
CRAFT

LANDING CRAFT SERIES

IZ 1770 AL LC aluminum landing craft was designed for delivering people as well as equipment (up to 8 tons) in all weather conditions. Thanks to the crane mounted on its deck, it can launch and take the boats on its deck. IZ 1770 AL LC was designed to sail in a variety of coastal areas and beaches without requiring any special docking facilities. This vessel offers very high safety standards and excellent stability.
