IZ 900

PASSENGER
CRAFT

PASSENGER CRAFT SERIES

Combining a high level superstructure for greater visibility, ease of maneuvering as well as a low GM for the best stability for safest operations, this HDPE passenger boat is an excellent passenger boat for 12+2 passengers. Based on the design of her successor IZ865, IZ 900 was designed carry up to 14 passengers in rough seas even around places without proper docking facilities. The vessel can take passengers both from the bow and the aft and has a life cycle of 30+ years without requiring any major maintenance or painting.
