PATROL CRAFT SERIES

This proven design was developed as a marine police patrol boat to work on multiple maritime environments. Thanks to its foam filled HDPE fender surrounding with 6 watertight sections, this HDPE patrol boat is literally non-sinkable. The innovative indestructible HDPE hull offers very high safety standards, which can stand any kind of hits, impacts and will not stop you even run aground. This HDPE patrol boat does not need any painting, hull maintenance or wintering ever in her life time of 30+ years.
